

# HIGHLAND INSIDER

VOLUME 21, ISSUE 7

JULY 2015

## NOTICE OF FIREWORKS RESTRICTIONS & OPEN FIRE BAN

By Executive Order of Mayor Thompson, due to environmental issues (weather conditions, dry fuel loads, and extremely escalating fire conditions), topographical considerations (mountainous terrain, brush covered areas throughout the city), and public safety concerns (people, structures and property), Fireworks Restrictions and Open Fires Bans have been ordered effective July 1, 2015.

The ignition and discharge of ALL fireworks is prohibited within the City of Highland in the following areas: (a map is available at [www.highlandcity.org](http://www.highlandcity.org), at City Hall, Fire Station, and Police Station).

Beacon Hill Subdivision	Mercer Hollow Subdivision
Bull River Subdivision	Skye Estates Subdivision
Chamberry Fields Subdivision	View Point Subdivision
Country French Subdivision	Westfield Cove Subdivision
Dry Creek Highlands Subdivision	Highland Glen Park
Hidden Oaks Subdivision	Sunset Mnt. Properties
Highland Hills Subdivision	Mouth of American Fork Canyon
Hunter Ridge Subdivision	

Open fire, camp fires, and the igniting and burning in fire pits are prohibited except in landscaped yards in private residence with a hose or fire extinguisher nearby. Small portable screened fire enclosures and gas barbecues are permitted at private residences. Smoking is not permitted in city parks, campgrounds, open space or vacant lots. Discharge any smoking material, matches or other ignition sources from a vehicle is prohibited.

This order is enforceable by law and a violation of which carries penalties and provisions as outlined in the Utah State Law.

Therefore by Executive Order of the Mayor and Highland City, this order supersedes all other orders. The Mayor may deem this order to be modified and / or cancelled depending on the current fire conditions.

EXECUTIVE ORDER NO.: EO-2015-03

## OUTDOOR WATER CONSERVATION

The City's primary water sources for the PI system are the American Fork River and Deer Creek Reservoir. These sources of water will be limited as we are entering a **very low water year due to the inadequate snowfall** this past winter. Highland City is encouraging water conservation efforts to allow sufficient water throughout the spring and summer to all residents. It is necessary for all residents to conserve water wherever possible to avoid any mandatory watering restrictions. In order to accomplish this, we are asking that you **follow the voluntary guidelines** that are posted online at [www.highlandcity.org](http://www.highlandcity.org) to help conserve water.

**Watering Days according to the following schedule:**

- Even Numbered Street Address: Monday, Wednesday, and Friday
- Odd Numbered Street Address: Tuesday, Thursday, and Saturday
- No Sunday Residential Watering, allowing the storage facilities to fill.

Through proper utilization and conservation of our precious water resources we are hopeful that our residents **will have sufficient water through the year** for outdoor watering. For questions, please contact the City Offices at 801-756-5751.

## 2014 Annual Water Quality Report

The Annual Drinking Water Quality Report is now available online for you to view at [www.highlandcity.org](http://www.highlandcity.org) on the Culinary Water page listed under the Public Works Department page.

## Highland Historical Society

Highland City recently established the "Highland Historical Society" and charged them with "preserving and sharing Highland's past for a better present and future". To that end, one of our plans is a display of historical farm equipment, etc., at the Highland Fling on Aug 1. In addition, Aug 1 (the final day of the Fling) is the 100th anniversary of the creation of the Highland Ward and the 1st Ward is planning a commemoration in conjunction with the Fling. We encourage all Highland residents and former residents to join in the celebration and commemoration. If you have, or know of, farm implements or equipment from an earlier era that could be used for the display or entered in the parade (please register parade entries by sending to [highlandcityfling.com](http://highlandcityfling.com) before July 15), or if you have stories or information about early Highland please contact: Charlie Greenland, President, Highland Historical Society. Cell: 801-913-5200; Home: 801-766-6624; e-mail: [charlesgreenland38@gmail.com](mailto:charlesgreenland38@gmail.com).

## Beautification Committee

Our yard of the month winners come in all sizes but they have one thing in common, the owners work hard consistently to make their space a joy to their whole neighborhood. The winners are, Ryan & Ashli Liljenquist, 1965 N Atlas Dr; Lisa & Jim Golden, 6067 W 9800 N; and Troy & Sarah Gagon at 4122 W View Pointe Dr. Congratulations and thank you.

On Monday July 13th we will have an Ice-Cream social at an "Adopt-a-Patch," location at Merlin B. Larson Park on 9600 N and 6050 W, to thank and support all the Adopt-a-Patch people and to provide information on the program for anyone that is interested. Please RSVP via texting "Adopt-a-Patch" to 801-310-1009.

## Miss No. UT County Scholarship Pageant

The Miss Northern Utah County Scholarship Pageant will be held July 17th at 7:00 P.M. at Timberline Middle School in Alpine. Come watch our young ladies compete for a \$1,000 scholarship and the chance to represent Highland City at the Miss Utah pageant in June 2016. For tickets call Jenny Thacker, 801-787-7824. Congratulations to Miss Northern Utah County, Natalie Jaco, in placing in the top 10 at Miss Utah June 20th. She represented Highland City so well!

## DUP Cabin

Please come and experience some of Highland's history. Get a feeling for what Highland was like a hundred years ago. The museum is open 12:00-2:00 p.m. every Saturday in July, and from 9:00-3:00 August, 1st (Highland Fling Days). You can call 801-756-6579 to make appointments for groups at other times.

## Fireworks Safety Tips

Use only legal fireworks; Highland City has fireworks restrictions - know them ahead of time; If attending city displays, stay out of the safety drop zones; Be extra careful with sparklers (let children use glow sticks instead); Keep water nearby in case of accident; Never light fireworks indoors or near dry grass.

## BUSINESS OF THE MONTH

Timpanogos Speech Clinic is proud to provide speech therapy to the children of Highland. Denise Stratton CCC-SLP is passionate about maintaining the highest quality of treatment and has a talent for finding the particular “missing piece” of the puzzle that interferes with a child’s communication progress. She is one of a few PROMPT trained therapists in Utah. PROMPT is a powerful and highly effective technique for treating speech sound disorders. So much of life’s successes depend on clear communication skills. Over 25 years of training and experience provide her the tools to personalize therapy to the specific needs of your child. # 2015 Highland Fling Days

Come enjoy Highland Fling Days, July 25 - August 1, 2015, one of Highland's great annual community events! This year's Highland Fling Days will be bigger and better with [new activities](#) as we celebrate "Love for Home"! We are excited about our 2015 theme. Our hope is that it stirs emotions in our residents, young and old, a feeling and longing for home---our individual homes, our hometown of Highland, and our eternal home.

As part of the Highland Fling Days, the Buhler Family Farm and the Highland 1st Ward will be celebrating their 100 Year Anniversaries. Look for historical themed and antique farm equipment in the parade and on display at the Community Center.

We are pleased to announce the 2015 Highland Fling Days Grand Marshals are Glen and Brenda Thurgood! Glen Thurgood and his wife, Brenda, built a home and moved their family to Highland in 1978. They were drawn to the rural at-

mosphere and hard-working, volunteer service-oriented people they found here. It turned out to be a great place to raise their five sons and two daughters. Glen's volunteer service and commitment to Highland began almost immediately. He served on the first Highland Citizens Transportation & Circulation Advisory Subcommittee, and was asked to serve as its chair. As a consultant with the City's Engineer, Glen wrote the original Highland City Transportation Master Plan. Glen served as a member of the Highland City Council from 1992-1996. He was primarily responsible for bringing pressurized irrigation to Highland. He was also heavily involved in writing the ordinance facilitating controlled commercial development in the city as well as many other policies, programs and projects important to the economy and quality-of-life of our young and rapidly growing community. While on the City Council, he served as Mayor Pro Tern for two years.

In his personal life, Glen has consistently demonstrated integrity and service. He taught and conducted research in the BYU Civil Engineering Department for 38 years before retiring in 2005. During that time, he arranged for volunteer BYU Civil Engineering students to build the gazebo located in the Merlin B Larson Park in Highland as a community service project. Most importantly, Glen has been a great example of volunteer service to his children who are now caring, responsible adults of good character. They have great memories of growing up in Highland.

Glen and Brenda Thurgood are the parents of 7 children and 22 grandchildren
