VOLUME 21, ISSUE 12

DECEMBER 2015

## Winter Snow Removal & Plowing

During the winter months it is important for Highland residents and the City to work together during snow removal weather. During heavy snow storms it can take as much as 48 hours to clear all priority routes and through streets once the storm has subsided. Parking on the street and objects in the road (trailers, basketball standards, etc.) makes it difficult for plows to clear the streets. It is unlawful to park any motor vehicles upon city streets from December 1st to March 31st between the hours of 12:00 a.m. to 8:00 a.m. and any time snow is present so as to provide access to snow plows for snow removal. The Police Department may issue a parking citation.

Many people use four wheelers to plow their drive ways and sidewalks; the Police Department reminds you that four wheelers are not allowed on the street unless they are street legal.

Residents may view a copy of Highland City's snowplow frequently asked questions on the Public Works page at [www.highlandcity.org](http://www.highlandcity.org). If you have any concerns you may report them on-line using the Report a Concern feature or call Public Works at 801-772-4523. To report parking violations, please call the Police Department at 801-756-9800.

## Tips to Save Money on Your Utility Bill

Did you know that your winter water usage affects your monthly sewer charges? Your yearly sewer charge is based on those winter water readings.

On your monthly statement from Highland City, you can see your previous water reading, your current water reading, and the usage. The usage is in 1,000 gallon increments. Winter water usage should be within a low range. The average usage per household can range from 6,000 to 10,000 gallons per month. Please watch your monthly statement. If you see unexplained increased water usages, please check your household appliances for leaks (i.e. toilets, hot water heaters, etc.). If you are unable to locate a leak you may call Public Works at 801-772-4523 for assistance. This simple tip can help all of us and save you money.

## Highland City Mourns Loss of Employee

With heavy hearts, Highland City announces the passing of Jill Litton Ballamis. Jill worked for Highland City for a number of years as the Community Development Administrative Assistant and most recently served as the City Treasurer. Jill was responsible for business licensing, utilities, and was one of the city notaries. Jill was a ray of sunshine to our office and truly loved by all. She will be greatly missed by staff and residents alike.

Jill passed away after a courageous battle with cancer on November 18, 2015 surrounded by loved ones. Born April 29, 1983 in Vernal, Utah to Robert Wayne and Susan Rust Litton. She married Justin James Ballamis on May 24, 2012. Jill loved Justin because he could always make her laugh.

She was an active member in the LDS Church and loved serving in the Primary. Her home, yard, and family (especially her dogs P.J. and Laney) were her loves in life. Jill was an exceptional person who loved everyone especially her primary kids. We will miss her. Funeral services were held on Saturday, November 21, 2015 in Lehi, UT.

## A Glimpse into Highlands Past

The Highland Historical Society features articles each month to highlight individuals in Highland who have made an impact to the community. This month's article, written by Lillie Buhler Day, was published in the December 1981 Ensign magazine of the Church of Jesus Christ of Latter-day Saints (submitted by Brenda Thurgood).

### "The Christmas Our Parents Wept"

The year was 1931 and I was fourteen, the oldest of eleven children in our family in Highland, Utah. One day my father and mother and a neighbor were in a car accident. Dad, a very strong man, managed to lift the car up enough to release mother and the neighbor. He himself suffered a broken arm and several broken ribs.

Because of the accident, dad was unable to work his 160-acre farm, and the bank foreclosed the mortgage on our home. The depression had hit us in all its force. Dad was given a short time to move out.

The meaning of that foreclosure became clear to me just a few weeks later when we had to build a house across the street on a small piece of land dad had just bought. Because dad was still recovering from his accident, mother did much of the work. It was a small, one-room shack with no floor, no windows, a bad roof, and wooden walls. We took hot rocks to bed with us that winter to keep warm. When the snow began to melt on the roof it would leak down into our beds. At night we would often find ice in the covers, and in the morning we could not make the beds because the edges of the blanket were frozen together. We knew for the first time in our lives how it felt to go to bed without any supper. We had to save hard pieces of bread for the younger children, and we lived on dry beans cooked without salt.

Dad finally got a few days' work on a dry farm, and when the owner found dad didn't bring any lunch because we had no food, he came to our house with a sack of flour and other groceries. I remember that we were so hungry we tried eating

the flour uncooked.

Christmas came that year with a lot of snow, but no gifts. My brother Reuben told young Fred to save the candy and nuts they received at the American Fork firemen's Christmas party, because that was all they would get from Santa.

Dad was able to make a payment on our home and install a wooden floor and two windows, and we knew that would be our Christmas. But that was a Christmas we all remembered. Dad joked and tried to play family games with us. Finally he said, "Well, children, perhaps Santa did forget us this year. I'll bet there won't be one of you that will forget this Christmas."

He was right, .... (story continued online at [www.highlandcity.org](http://www.highlandcity.org))

## Tips to Help Prevent Frozen Pipes

During periods of extremely cold temperatures, temporarily keep a trickle of water running from the faucet. The trickle should be a steady stream. Never thaw frozen pipes with an open flame. You could start a fire or cause damage to pipes or the water meter. In the event if you have a frozen water meter or need assistance, please call Public Works at 801-772-4515 or 801-420-2553 for after-hours emergencies.

## Municipal Election Official Results

The following individuals won City Council seats and their term will begin January 2016: Brian Braithwaite (incumbent), Ed Dennis, and Tim R. Irwin (incumbent).

## Prescription Drop Box at Police Station

The Lone Peak Police Department invites you to utilize our new drop box for your expired or unwanted prescription medications. The drop box is located in the lobby of the police station at 5400 West Civic Center Drive. Unused medications in homes create a public health and safety concern, because they are highly susceptible to accidental ingestion, diversion, misuse, and abuse.

# Christmas Crafts Day with Santa!

Please join the Arts Council and the Highland Youth City Council on Saturday, December 5, 10:00 a.m. - 12:00 p.m. at City Hall to make inexpensive crafts (\$0.25 - \$3.00), listen to live entertainment, interactive story reading in the library, and visit with Santa!

Be on time to see Santa arrive at City Hall at 10:00 a.m. on the Lone Peak Fire Department Fire Truck! Don't forget to bring your camera to take pictures with Santa and a canned food item to be placed under the Christmas Tree for those in need! Scout groups looking for community service projects may help with collecting canned food items during the month of December.

## BUSINESS OF THE MONTH

### Anderson & Sons Lone Peak Funeral Chapel

Anderson & Sons Lone Peak Funeral Chapel was dedicated and open to serve the families in the Highland area on November 2013. Anderson & Sons Mortuary also has a location in American Fork and our family has been serving families from the communities in this area since 1866.

One of the traditions that we like to celebrate is the Christmas memorial tree. Each year the first Saturday in December from 4-7 p.m. we set up a Christmas tree and have an open house to invite the public to place an ornament on our tree in memory of a loved one that has passed away. We know that Christmas time is a time of families and traditions and that our loved ones absence is more noticeable during this time of year. The memory tree gives families a chance to remember their loved ones and share stories with others who have experienced a loss at this time. Everyone is welcome. We have had some families come year after year and said they would not miss it.

The ornaments are each unique and special. It is fun to see all of the lives represented by each of these ornaments. Some families bring in an ornament that has a picture, others a fish or some other representation of a hobby loved by the individual. The ornaments are returned to the families at the end of the year and can be brought back for the next year. We hope to see you and your family even if you just want to see the tree and eat some cookies.

Highland City would like to spotlight a different Highland business each month. This is to promote our Shop local, Eat local, Spend local campaign. If you would like to have your Highland business featured, please call us at 801-772-4523 or email us at [emily@highlandcity.org](mailto:emily@highlandcity.org)
