

HIGHLAND CITY

## Council Brief

In each month's newsletter we give a brief overview of some stand-out items from Council meetings. For full agendas, minutes, & audio, visit <http://bit.ly/HC-archive>.

## September 5

Lehi City presented a plan for a Dry Creek Lake. The project is generally located at the southeast corner of SR92 and Highland Boulevard (behind Smith's Marketplace). The project will include water storage and recreation amenities including trails, a beach area, a dock for non-motorized boats, picnic areas, parking, and restrooms. Plans are still being finalized and construction is set to begin in 2018. The City will continue to work with all stakeholders and communicate updates to residents.

The Library presented an expansion plan utilizing existing space at City Hall. City Council and the Library Board will continue to work together on this project.

## September 19

Civic Events Coordinator Julie Tapusoa gave a report on the 2017 Fling. Overall it was a good year that included extra events to celebrate Highland's 40th year as a City. From a budget perspective, City funds subsidized the Fling close to the same amount as in previous years.

## City Candidate Debate & Election Information

The following individuals are running for municipal office—Mayor: Jessie Schoenfeld and Rod Mann and City Council: Scott L. Smith, Cristopher Kemp, Kurt Ostler, and Dennis LeBaron. Come learn what they think about issues that matter to you at the Highland City Candidate Debate on Thursday, October 12 from 6:30-8:30 PM at City Hall. The evening will feature a question and answer period followed by an open house. To submit questions, please email [jody@highlandcity.org](mailto:jody@highlandcity.org) or call 801-772-4505 by Thursday, October 5. More election information can be found at [www.highlandcity.org](http://www.highlandcity.org).

Highland City General Election will be conducted with the same Vote-by-Mail system used in the primary election. Watch for your ballots around the third week of October.

## 2018 Youth Council

Applications are due by midnight on Tuesday, October 31, 2017 for the 2018 Highland Youth City Council. Applicants must currently be in grades 9-11. The youth council is an opportunity for youth to expand leadership in the community through a focus on governmental learning, community service and events. More information, application & instructions can be found at: [http://bit.ly/HC-Youth\\_Council](http://bit.ly/HC-Youth_Council).

This FREE program includes benefits such as: flexible hours and days, supplemental insurance coverage, mileage reimbursement, Sharetix event tickets, and recognition events. Call today to find out how you can make a difference in your community. Information at 801-229-3810 or [mountainland.org/rsvp](http://mountainland.org/rsvp)

## Garbage Services

Recently, we have heard an increase in complaints relating to garbage pickup. As a result, City staff held a meeting with Republic Services in an effort to resolve the issues. Below is a message from Republic Services.

*Dear Highland Residents,*

*We have been made aware of some issues as it relates to your trash and recycling collection services. We want you to know that we are committed to providing the best service we possibly can and are taking immediate action to rectify these issues. We have great, qualified, and caring drivers who want to do their best in your city. We greatly value our relationship with Highland and have met with City Administration and are working as partners to eliminate future service setbacks. Thank you for your patience.*

City staff is committed to continuing to work with Republic Services to address citizen issues. Help us by following these guidelines:

- Have containers to the curb by 7:00 AM on collection day.
- Make sure your container's lid can shut fully.
- Place containers at least 3 feet apart from each other and 5 feet away from all other objects.
- Ensure clearance above a container from trees, wires, etc. is at least 14 feet.
- Bag your grass and other loose garbage.
- DO NOT bag recyclables.
- Break down/flatten cardboard boxes when putting into recycling container.

## Burn Permits

Open burning is allowed from October 1—30 by permit. Visit: <http://air.utah.gov/OpenBurning/form/index.php> to obtain your burn permit.

## PI Shut Off for the Season

Beginning on October 16, Public Works will begin draining and winterizing the pressurized irrigation (PI) system. While you may see water in the system after the 16, water pressure will diminish rapidly as ponds are drawn down. This is a good time to winterize your system as well to prevent damage caused by frozen water left in pipes, sprinklers, filters, and valves. Don't forget to close your main valve which is located in a box installed as part of your sprinkling system often in close proximity to the City's PI box. By closing this valve, flooding in the spring may be avoided should pipes freeze and break during the winter. This will also help to protect your system from pressure fluctuations experienced when the system is charged in April. If you are unsure of how to winterize your system, please contact a landscape professional. For questions, contact Public Works at 801-772-4515.

## Highland Historical Society

### Monthly Story—Martin George Miller

The oldest, continuously occupied home in Highland is located at 10595 North 5600 West. The home was built in 1910 by Boise and Emma Miller Wells. Boise (pronounced Boyce) was a prosperous sheep rancher who had a number of herders working for him, and the herd manager was Charlie Parker. Emma hired her niece, Luetta Miller to keep house for her and she and Charlie met, courted and were married in 1915 and built a two room cabin in the orchard on the farm.

On October 23, 1918 the flu epidemic took Charlie, leaving Luetta with 2 young children. Boise then asked his brother-in-law, Martin George Miller, (Luetta's father) to take Charlie's place, and by Thanksgiving he had moved his large family in with Boise and Emma. In a few weeks Boise moved his family to American Fork and the Miller's remained in the home until 1923 or 1924 then moved to a home on the Alpine highway (5340 W 11200 N) and lived there until 1934. Luetta moved her cabin to a ten acre farm next to her parents. Story continued at <http://bit.ly/HC-historical>.
