

HIGHLAND CITY

2018 Resident Survey

For the past three years, Highland City Council and Staff have conducted an annual resident survey. The survey is designed to find out how the City is doing and what residents think about certain issues. Last year's survey results were used to guide City Council during their decisions regarding Road Funding. In addition, the City learned that residents were supportive of all the changes that took place at the Library during 2016 as the percent of individuals who ranked the Library as "Good" or "Excellent" rose nearly 30%.

Gathering and using resident opinions is invaluable to Highland City. When you tell us what you think, even more positive changes can happen! As always, your responses WILL NOT be individually tracked and all data collected will be analyzed as a whole. None of the questions are required, so only answer the ones you want.

To get the survey back to us, simply include it with your utility payment or drop it by City Hall. You can also take the same survey through a link on our website – www.HighlandCity.org. Responses are due by February 28. If you have any questions or concerns about the survey, please contact Erin Wells at (801)772-4566.

Council Brief

In each month's newsletter we give a brief overview of some stand-out items from Council meetings. For full agendas, minutes, and audio, please visit <http://bit.ly/HC-agendas>.

January 9

Independent auditors came and reported on the City's Fiscal Year 2017 Budget. Overall Highland received a clean audit report which means the City's internal controls are good and that our financial statements are correct.

Elected Officials were assigned to the following committees: Mayor Mann— Mountainland Association of Governments (MAG) Executive Council, MAG Regional Planning Committee, Lone Peak Public Safety Board (LPPSB), and Utah Lake Commission; Councilman Braithwaite— LPPSB, Timpanogos Special Service District (TSSD), Highland Fling Committee, and Utah League of Cities & Towns (ULCT) – Legislative Policy Committee (LPC); Councilman Dennis— Economic Development Committee, Library Board, Open Space Committee, ULCT LPC, and Utah Valley Dispatch Special Service District; Councilman Irwin— LPPSB, ULCT LPC, and Youth Council; Councilman Ostler— Arts Council, Dry Creek Lake Citizen Advisory Committee, LPPSB Alternate; Councilman Smith—Historical Society, North Pointe Solid Waste Special Service District Board, and North Utah Valley Animal Shelter.

A resolution supporting the construction of the Murdock Connector Road was approved. This road would run from Canal Boulevard to somewhere south of Lone Peak High School and connect Alpine Highway (SR 74) to North County Boulevard (SR 129). A similar resolution was passed in City Council meetings of neighboring cities. The Mayor and City Council will use the resolution to encourage State Legislators to take the necessary actions for construction of the road to begin.

January 23

The City Council and Executive Staff members met to discuss and prioritize tasks for the next two years. The following items (in no particular order) were identified as the top 10 priorities: General Plan Update, Evaluate Developmental Center Land, Murdock Connector Construction, Retain Quality Employees, Establish Performance Measures, Improve Employee Evaluation System, Incorporate Long Term Financial Plan, Properly Budget and Fund Lone Peak Public Safety, Create a 10-Year Capital Plan, and Conduct an Audit of all Open Space Properties. Council and Staff will work together on these goals over the next two years and beyond.

Youth Council Corner

The 2018 Highland City Youth Council was sworn in at City Council meeting on Jan 9. Miranda Mugleston, Mayor and Anabelle Sutton, Deputy Mayor are leading this amazing group of 20 youth leaders in our city. They have ambitious plans for the year including leadership retreats, governmental & leadership learning experiences, as well as, various service projects, city events, and a government event for the city in September. Fourteen of the Youth Council represented Highland City at the State Capitol on January 24 at Local Officials Day!

Highland Glen Bike Park

Highland City Council partnered with local Boy Scout Carson Seegmiller on his Eagle Scout Project to bring a Bike Course to Highland City. The Highland Glen Bike Park is a BMX mountain bike-park, situated in the north end of Highland Glen Park. The park is designed with multiple courses for all skill levels so that a variety of individuals can use and enjoy this amenity. Funding for the course came from the Seegmiller family and other donors, [Governor's Office of Economic Development](#) through the [Utah Outdoor Recreation Grant](#), and Highland City.

As you recreate at the park, please observe all posted rules. This helps ensure this amenity can be preserved for generations to come.

Water Conservation

We have had a very mild winter. Snow levels in our area are currently 45%* less than normal for this time of the year. While Mother Nature still has time to turn this trend around (and we hope she does), Highland City is seeking to be prepared in case we do have a drought situation this summer. Watch future newsletters for tips on water conservation and saving water inside and outside of your home. *NRCS SNOTEL data

1-15 Tech Corridor

UDOT will reconstruct and widen the I-15 Technology Corridor between Lehi Main Street and S.R. 92 (Timpanogos Highway) starting in spring 2018. The area has experienced rapid population growth and new commercial development. The project will address traffic congestion and mobility issues two years earlier than expected, providing much needed relief to commuters, local residents and businesses.

Improvements will include two additional lanes in each direction, a new one-way frontage road system, 13 bridge replacements, a new bridge over I-15 at Triumph Boulevard and bike and pedestrian improvements.
