

HIGHLAND CITY

## Mayor's Message

I want to thank the over 150 people who helped with the recent hillside flood that impacted two homes near the mouth of the canyon in the View Point subdivision. I am so grateful to live in a town where people just jump in and help even on a cool rainy night. Barefoot people in shorts, young men and women, mothers, fathers and grandparents worked on a cool rainy evening. They quickly turned a problem into an enjoyable service project helping to remove water and mud from two basements and filling and placing hundreds of sandbags. City staff, fire, police and elected officials were also on scene.

UDOT has selected a firm to design the East-West Connector and are working to finalize the contract. Additionally, the State Developmental Center has selected 6 finalists out of 13 firms that bid on 112 acres of state land south of Lone Peak High School. These firms will be presenting to the Dev Center Board in closed session on Nov 5th at 10:00 AM. According to the state project manager,

there are proposals for an outright purchase as well as some that include purchase and lease combinations. It is possible that the board would make a decision in an open portion of the meeting following the presentation.

On another note, the City Council agreed to support the development of a 17 acre park to the west of Mountain Ridge Jr. High. The park will include pickleball courts as well as other amenities. Watch for more on the city website and in my blog ([mannkindperspectives.com](http://mannkindperspectives.com)). You can also read more about it now in the Council Brief below and on the following page.

## Council Brief

In each month's newsletter we give a brief overview of some stand-out items from Council meetings. For full agendas, minutes, & audio, visit <http://bit.ly/HC-agendas>.

### October 2

City Council approved a contract with Lewis Young Robertson & Burningham, for a Market Analysis. This project will analyze the economic development potential of Highland, create an Economic Development Plan, and implement the plan.

### October 9

City Council, the Library Board, and staff met together in a joint work session to discuss their vision for the Library and what roles each group should fill in achieving that vision. The meeting was productive and is a step in working towards updating the Library Board Bylaws and Municipal Code related to the Library Board.

### October 16

The Utah Department of Transportation updated the Council on the Tech Corridor project. Check out <http://www.udot.utah.gov/techcorridor/> for information on a number of imminent changes.

For some time, City Council has been looking into the possibility of selling some park land and using the proceeds to begin to develop the park next to Mountain Ridge Junior High School. The Council voted to create a Mountain Ridge Park Board which will be comprised of 7 residents of Highland and whose purpose will be to submit for approval to City Council amenities to be included in the park, usage policies and fees, and sponsorship packages. In addition, the Board will identify options for managing the park following construction. Council also voted to take 60% of the proceeds of the sale of the other park land and put it towards Mountain Ridge Park. The Park will be built in phases with phase 1 to include pickleball courts, a parking lot, and restrooms with the goal of completion of August 1, 2019. The Highland City Foundation is actively recruiting donations for the park specifically for a 27-court tournament level pickleball complex. Come learn more about this proposal and give your input as to what should go in the park at an Open House on Thursday, November 15 at 7:00 PM at City Hall.

## CALENDAR

November 13: City Council Meeting\*, 7:00 PM, City Hall

November 15: Mountain Ridge Park Design Open House, 7:00 PM, City Hall

November 14: Meet the Mayor, 7:00 PM, Library

November 27: Planning Commission Meeting\*, 7:00 PM, City Hall

December 1: Craft Day with Santa, 10:00-12:00 AM, Community Center

December 3: Cemetery Cleanup

\*Agendas, Minutes, and Audio at <http://bit.ly/HC-agendas>

## ONLINE

Report a concern, pay your bill, reserve a pavilion, etc. on-line at: [www.highlandcity.org](http://www.highlandcity.org)

Check us out on Facebook and Twitter @HighlandCity

## Vote by Mail

General Election Day is November 6, with early voting on Oct 30, 31, Nov 1, 2 from 12:00 PM—5:00 PM at Highland City Hall if you are not voting by mail. Vote by Mail Ballots can be dropped off at Highland City Hall during regular business hours and placed in the orange ballot bin. Vote by mail ballots can also be mailed in through the postal service (don't forget your stamp) and must be postmarked by November 5. For more information on voting please visit:

[www.vote.utah.gov](http://www.vote.utah.gov).

## Cascade Scenic Drive(FH-144)/ Cascade Springs Road Improvement Project

Planning is underway to improve Cascade Scenic Drive/ Cascade Springs Road (in American Fork Canyon) between SR-92 and the park boundary adjacent to the community of Midway. During construction certain portions of the road will be closed. The project is expected to take approximately two years. For additional information please contact Wasatch County Public Works at: [www.wasatch.utah.gov](http://www.wasatch.utah.gov).

## Green Waste Update

Timpanogos Special Service District will be closing the green waste and compost for the season. The last day of operation for compost/green waste is November 10, 2018. After this time, compost will be sold by appointment only until spring 2019. Christmas trees will also be accepted by appointment. The green waste/ compost will re-open March 6, 2019. To schedule an appointment call the TSSD office at 801-756-5231.

## Beautification Committee

Thank you to our amazing volunteers who helped with all the weeding, mulching, and beautifying of Highland this year. We could not accomplish so much without you. As we close our busy season, please notify our committee if you have project ideas or concerns; or if you would like to support a community garden near Toscana Townhomes. Thank you. - Ashlee (801)895-9551.

## City Codes

Did you know Highland City Code requires permits to finish a basement, put in a fence, build a shed larger than 200 square feet, install a pool, and complete some remodels? These codes are in place to ensure the safety and aesthetic beauty of Highland now and for years to come. Do you have one of these projects planned? Call us at 801-756-5751 and staff will be happy to walk you through the permitting process.

# Christmas Craft Day

Saturday December 1st  
10 am to Noon

Highland City Community Center

5378 West 10400 North

Performance by

Highland Children's Choir

Special Guest In Red Suit

and Long White Beard

## Highland City Cemetery Cleanup

Highland City seeks to offer families and friends that visit their loved ones resting in the cemetery a clean, beautiful, and peaceful environment. Please help us maintain this goal by keeping your site clean. The next cemetery decoration cleanup will be on Monday, December 3. Perishable items will be discarded and all trinkets, shepherd-crooks, etc. will be removed and taken to the Public Works Shop. These items will be held for two weeks to be claimed before they are discarded.

Join the community for  
a service project as we collect

# PEANUT BUTTER & GLOVES

and spread warmth this season.

Visit [www.mountainland.org/PB&G](http://www.mountainland.org/PB&G)  
for more information on how you can help!

**To Register** for classes or more information, visit [HighlandCityArts.org](http://HighlandCityArts.org) or call Shauna at (801)756-9614. All classes & concerts located at Community Center, 5378 W 10400 N unless otherwise noted.

**Many Classes & Clubs** are offered by the Highland City Arts Council. Please see their website for further details. Classes offered include: *Artist's Way Book Club, Friends of Art Group, Stitchery Group, Highland Quilting and Fiber Arts Group, Basic and Advanced Watercolor, After School Art Club* and more!

## Arts Council Performance Schedule

More information at [theTSO.org](http://theTSO.org).

**Utah Valley Chamber Players Concert** will be held on November 10, 5:00 PM. Come hear some of the valley's finest young string players. Admission is free.

## Youth Council Corner

In October, we held our annual Senior Citizen Appreciation Dinner and had such a good time with our Mexican Theme and the amazing children dancers from Ballet Folklorico Eck Juvenil! We're excited to go on our leadership retreat this month and on December 1 to co-host with the Arts Council the annual Crafts with Santa event! We will also be doing a Sub for Santa project. Watch for details! Applications for 2019 Youth Council are also out. We'd love to have more youth in Highland join us next year. See more information below!

## Youth Council 2019 Applications

Applications are now being taken for the 2019 Youth Council. A few changes are being implemented to better comply with state laws. Any youth who completes the application process will be accepted onto the youth council and placed on at least one committee to focus on: service, events, government, and marketing. 8 Youth will be selected to form the leadership team, which will be headed by the Youth Mayor, Jakob Gertler and Deputy Mayor, Lily Trampleasure. We are really excited for these changes and hope that Highland Youth will be excited to serve their community. Applications are due Dec 3. More information and application can be found at: [http://bit.ly/HC-Youth\\_Council](http://bit.ly/HC-Youth_Council)

## Sub For Santa

Highland City Youth Council is sponsoring 3 families for Sub for Santa. Please help us make a great Christmas for these families. Choose a tag from the Christmas tree at City Hall from Nov 29 - Dec 10 and have gifts turned in to City Hall by Dec 17. Questions? Contact Julie: 801-772-4507 or [Julie@highlandcity.org](mailto:Julie@highlandcity.org)

## Highland Historical Society Families of Highland - Adamson Family (Alexander and Mary Hutchison Adamson)

Alexander was one of the Scotsmen who, they say, had a hand in naming Highland. He was born in 1837 in Boreland Fifeshire, Scotland to Henry and Margaret Nicholson Adamson. He began working in the coal mines at an early age and therefore received little schooling. Check out <http://bit.ly/HC-history> for a history on the Adamson family.

# Snow Plow Priority Map

## Snow Reminders

The safety of Highland City residents during and after a snow event is a top priority for the City. Our Public Works department utilizes all available assets as needed to clear the roads depending on the storm event, snowfall received, and duration of the storm. Salt and sand are used only at intersections and other problematic locations to provide traction.

## Snow Plowing Priority

Please see the inserted map for street plowing priority. Priority is based on the road classification and usage intensity. Streets identified as arterial or collector roads, which are deemed to be in the minimum network needed to provide basic transportation for public safety, schools, or steep grades, receive priority. These streets will be plowed 24 hours a day, 7 days a week when weather conditions warrant. When storm conditions have moderated, roads interior to subdivisions, including cul-de-sacs, will be plowed. It may take anywhere from 3 to 5 days after the storm before crews are able to clear all of these areas.

There are three traffic corridors within Highland that fall under the jurisdiction of the Utah Department of Transportation (UDOT). These roads are SR-92 (Timpanogos Highway/Canyon Road), SR-74 (Alpine Highway), and SR-129 (North County Boulevard). Questions and concerns regarding these roads should be referred to the UDOT Region 3 offices at 801-227-8000.

## Street Parking

Street parking is prohibited from December 1 to March 31 between the hours of 12:00 a.m. and 8:00 a.m. and any time snow is present to allow access to the plows for snow removal. The Police Department may issue parking citations or even have vehicles towed that are parked on the street during or shortly after a snow storm. Residents should also be mindful to keep all obstructions such as basketball hoops, trailers, trash cans, etc. off the streets during snow removal.

## Clearing Driveways

When snow is plowed the resulting windrow flows to the side of the road including in front of mailboxes and into driveways. We understand that this is extremely frustrating to our residents. Because our first priority is to clear the road and create a safe travel way, it is not an option to raise the plow blade at every drive approach. We ask for your understanding and cooperation. Clearing a 10-foot area of the oncoming lane shoulder may help with this.

## Sidewalk Clearing

Property owners should clear their sidewalks within 24 hours of a snow storm. This helps ensure children can make it to school safely and other pedestrians stay safe as well. Remember to push the snow onto your own property. Putting snow into the streets can make the road more dangerous for automobiles and snowplows. After the snow has been removed from the streets, Public Works employees will work to remove any snow from the walking trails and school sidewalk routes.
