## Funding Options

### 2. Cut existing budget

- Significant impact on level of service
- Every budget department would have to be cut by an additional 16% for the General Fund to absorb the increase
  - Some can not realistically be cut – garbage, bond payments, auditor
  - Not enough money in operational cuts alone to cover cuts

## Funding Options

### 3. New revenue

- Property Tax Increase
- Fee Creation
- Both options only address current Public Safety proposal
  - General Fund relief
  - Future Public Safety requests
  - Council Subcommittee

## Property Tax Increase Overview

- Full Public Safety Request - \$845,629
  - 49% increase in the City's property tax rate
- HB 235 passed this year allows Cities to dedicate a portion of their property tax to anything
- Tax deductible in some cases
- Based on home value
- Traditional way of funding Public Safety

## Property Tax Increase
