

Mayor's Message — Kurt Ostler

Over the past months, the city has had several road or water projects affecting residents. I wanted to thank those affected for their patience, as I know it can cause a great inconvenience when pressurized irrigation systems are off during the day and trying to establish a new landscape and grow a garden.

The City has also been receiving a lot of concerns about speeding and traffic. Because of that concern, the City has enlisted help in assembling a Traffic Calming Toolbox. This should help the City better assess how to help with traffic and speed.

For several months as elected officials, we have been meeting with the different city departments to review the city's budget needs. This past month, the city council passed our 2023/2024 city budget with NO new proposed tax increases and removed the \$20 per month open space fee affecting about 25% of the residents. For this upcoming year, the city estimates our city's General Fund revenue to be \$13,190,194 with estimated General Fund expenses of \$13,128,498. The city's certified tax rate for property tax for this upcoming year will be .00079 vs last year's .000817. In looking at your Utah County property bill, Highland City represents around 10% to 10.5% of the property tax bill amount. One area Highland City's budget is different from other cities is that road and public safety fees are assessed on city utility bill. When the additional fees were passed, it was thought that separating the road and public safety fee would help be more transparent on where the money is going and ensure that the specific accounts set up to track the spending of the fees assessed. To help residents better understand the city's budget, the city has put together a "Citizen Budget" that is posted on the city's website at <https://bit.ly/3NQ7swM>.

2023 Municipal Election Date Change

The 2023 Municipal General Election will be held on Tuesday, November 21, 2023. This a date change is due to the resignation of Chris Stewart from the Second Congressional District. Highland City residents will be voting for three Council seats. The following individuals (listed in ballot order) have declared their candidacy for the three Council seats:

Kim Rodela
Doug Courtney
Brittney P. Bills
Timothy A. Ball

Highland City will not hold a Primary Election this year, as it is not necessary. General Election ballots will be mailed to residents starting Tuesday, October 31, 2023. For more election information, please see the Highland City website election page.

Highland Fling 2023 — SAVE THE DATE!

The Highland Fling will be held July 31 – August 5!

This year we have added a car show and a glow run. This is an amazing event and there is something for everyone!

We have the Grand Parade, fireworks, a fireman's spray for the kids, Highland's Got Talent – Youth Edition, disc golf, Kid Paradise at the City splash pad, backyard tours, a play day rodeo and so much more! For info see highlandcityfling.com

We can't wait to see you at the Fling!

City Council Meeting Brief

In each newsletter, we give a brief overview of some stand-out items from Council meetings. For full agendas, minutes, & audio, visit <http://bit.ly/HC-agendas>.

June 6

The City Council discussed the fence along Alpine Highway, its state of repair, and the possibility of replacing the fence. City staff have received a bid for the removal and construction nearly one mile of fence and discussed with staff what would go into replacing the existing fence. No decision was arrived at during the meeting and Council will revisit the item at a future meeting yet to be determined.

June 20

The Council approved the budget for fiscal year 2024, which starts July 1, 2023. Here are some highlights:

- ♦ The City is receiving \$7M in grants to offset the costs for the pressurized irrigation meter project
- ♦ Property tax is not increasing
- ♦ Garbage/Recycling fee is not increasing
- ♦ The Open Space Fee is being eliminated

You can find more information on the City's website.

City Budget Overview

As a new initiative for the upcoming budget cycle, the City has published a document that gives a brief overview of the City's budget for fiscal year 2024. This document is called the "Citizen's Budget" and can be found on the City's website at <https://bit.ly/3NQ7swM>

The Citizens' Budget covers:

- ♦ Interesting statistics and demographics about Highland
- ♦ Explains how property and sales taxes are shared
- ♦ City revenue sources and expected amounts
- ♦ Anticipated City budget expenditures by department
- ♦ A look at a number of projects that have been funded for the next year, including: Mountain Ridge Park completion, a new building for Parks department equipment, a system to allow residents to communicate with the city via text messaging, trail maintenance funding, improved school walking routes for children, Library carpet replacement, and an update to the City's General Plan, and more.

The Citizen Budget is meant to help our residents better understand where the City's funding comes from and how it is used to improve our community, so check it out!

Pressurized Irrigation Installation Project

As a water conservation initiative, Highland City will be installing water meters for all pressurized irrigation (PI) connections in the City. The City has received \$7 million

dollars in grant funds to offset the cost of the installation of the meters.

Highland has contracted with Hydro Vac Excavations LLC to begin our PI meter installation program. Starting in July, they will be installing meters in the Northwest area and the Viewpoint Subdivision. For more information, please visit highlandpimeters.com or contact us at Plmeters@highlandcity.org or call 385-455-3728.

Fireworks Restrictions

For the month of July, state law allows fireworks to be shot from July 2 to July 5 and July 22 to July 25 from 11:00AM - 11:00PM except on July 4 and July 24 where the hours extend to midnight.

Due to extreme fire danger, fireworks are prohibited in certain areas of Highland including many subdivisions. A map of these restrictions is available at <http://bit.ly/HC-FireDept>. Please check to see if your home is in one of these restricted areas.

In addition to Highland City's bans, fireworks are never allowed on US Forest Service (including American Fork Canyon), BLM, or National Park land. See a map of statewide firework restrictions at UtahFireInfo.gov.

Mountain Ridge Park Donations

Mountain Ridge Park is a 17-acre parcel of property west of Mountain Ridge Junior High. The design includes an all abilities playground, walking paths, restrooms and pavilions, 2 multi-use grass fields, 1 baseball/softball field, 1 basketball court, and 8 pickleball courts. Phase I including the playground and pickleball courts will be open fall 2023. Dependent on funding, Phase II including the sports fields will be completed at a later time.

More information, including donation possibilities are available at park, please see <https://bit.ly/MtnRidgePk> or use this QR code.

Water Conservation

Despite the wet winter we just experienced, we still need to be mindful of how much water we are using. The Utah Division of Water Resources has a lawn watering guide that offers customized watering recommendations for your area and lawn type. This weekly guide is updated based on weather data collected throughout the state, so the recommendations will vary weekly depending on what Mother Nature has in store, so check back regularly. <https://bit.ly/3MVgpn5>

HIGHLAND CHILDREN'S CHOIR Registration for our 2023-2024 Season IS NOW OPEN! Come Sing With Us!

Spots are reserved in the order that registrations are completed. We have limited spots available. Openings for youth ages 5-19 from beginning to advanced choirs.

For information and registration go to highlandchildrenschoir.com.

THE TIMPANOOGOS RINGERS were honored to participate in Lindon City's Memorial Day Flag Ceremony. Our ringers played an amazing rendition of America the Beautiful which added to the spirit of the program. The Ringers take the summer off from rehearsal, but are planning our Christmas repertoire and performances. We have openings for 1-2 more ringers, especially men, to join us in the fall. We are also in need of sponsors to help us fund the purchase of 6 more brass bells to complete the 4th octave. If you would like a bell choir performance for your event, or for information contact Paige Erickson at 801-830-0927 or super.Paige.Erick@gmail.com

Beautification Committee

The Beatification Committee would like to recognize Derek and Jenn Christensen's yard as the Yard of the Month for June. They have a beautiful yard and the Christensen's work hard to make it look so good. Please let them know that you appreciate all of the work that they put into making their yard beautiful. You can see this gorgeous yard at 9583 N 6560 W. The Yard of the month winners each receive a \$25 Ace Hardware gift card and 2 bags of Oakdell Egg Farm Compost, courtesy of Oakdell Egg Farms. Please send your nominations for Yard of the Month to wisecaryj@gmail.com.

Highland Historical Society

The Utah Museum Association is sponsoring their first annual Utah Museum Month this July. In Utah there are more than 250 museums and heritage sites, 11 of which are within 10 minutes of your home. The Highland Museum and the DUP Cabin are both open every Saturday from 12 noon until 2:00 p.m. Come in and get acquainted.

Friends of the Library

The Friends of the Highland City Library are happy to announce that the Rachel and Charlie Hunt family has been chosen as the "Cedar Hills Library Patrons of the Year for 2023." They represented the library in the Cedar Hills Family Festival parade in June. They have checked out more than 4,600 items from the library over the years. Look for other outstanding library patrons in the upcoming parades at the Highland Fling, August 5, and Alpine Days, August 12.

There will also be a giant book sale at the Fling on Saturday, August 5, in front of the Highland Community Center across from Heritage Park. See you there!
