

Mayor's Message — Kurt Ostler

September was an active month in Highland City with numerous successful community events including a senior dinner, 9/11 breakfast, day of service, Arts Council workshops and programs, and of course our wonderful library activities. These events were well-attended thanks to the organizers, volunteers, and engaged residents. Highland continues to thrive as a close-knit community that values

civic participation. The City Council had an unusually busy month with several unique challenges. Because of the resignation of Sarah Peterson from the City Council, applications were accepted to fill her spot. We had 17 fantastic candidates apply, and on September 5 Ron Campbell was selected to fill the seat for the remainder of that 2 year term. We welcome Councilmember Campbell to the City Council! In an unfortunate turn of events, Councilmember Tim Ball resigned from the Council that day also. We will miss Tim and appreciate his service to the City Council. The Council will meet on October 3 to fill that vacancy. The selected individual will hold that seat until January when the winner of the general election will be seated.

Also in September, a community information session was held regarding the alcohol amendment that is currently before the City Council. Each resident will receive a survey soon, and we look forward to gathering input so that the decision that is best for all of Highland can be made. As we approach this difficult issue, I wanted to highlight some of the things we do to ensure transparency in our decisions.

- Have discussions about major issues at least once before making a decision
- Stream meetings on YouTube and provide recordings on our [City website](#)
- Produce a [citizen's budget](#) to make City finances easier to understand
- Work with our communications platforms to alert residents on new information
- You can contact the Mayor, City Council, and City administration all at once by emailing council@highlandcity.org
- Update major issues in a [monthly newsletter](#)
- Post full agendas to all our meetings on the City website
- City social media sites are updated regularly (Facebook and Instagram)
- Hold open public comment periods at the beginning of each meeting.

City Council update

We are excited to congratulate Ron Campbell on his appointment to City Council. Ron will serve through January 2026.

"I am honored by the opportunity to serve on the Highland city council. My wife and I have loved living in Highland for over 12 years. I have dedicated my career to community service, including 30 years in the LDS Welfare Department, advocating for people with disabilities, and serving on nonprofit boards. My Navy service and upbringing on a ranch taught me the value of hard work, which I will apply diligently as a council member. I am committed to representing residents and businesses and helping keep Highland the safest city in Utah"
