Highland Fling August 3 - 7

Johnny and Jeannine Iverson Selected as Grand Marshals

The Highland City Council endorsed the recommendation for Johnny and Jeannine Iverson to be recognized as "Grand Marshals" of this year's Highland Fling.

Johnny and Jeannine moved to Highland in 1967, and raised a family of nine children, which includes Steven, Teresa, Michael, Gregory, David, Cherie, Christine, Kurt, and Rebecca. All of these children are married and have given them 41 grandchildren and one great grand child.

Seven of the nine children graduated from college, and six served missions for their church. The Iversons chose Highland to raise their family so the children would have plenty of work opportunities because they felt work was very important. Jeannine indicated "when they raised their children you couldn't find a better place. Everyone had good values, work ethics, and Highland was good for them and their children."

Johnny was an airline pilot for 38 years, having flown for Frontier and Continental Airlines. He began taking flying lessons when 14 years of age. He swept floors at the Provo Airport working one day in exchange for one hour of flying time. He soloed on his 16th birthday, before even getting his driver's license.

Both Johnny and Jeannine were dedicated scouters. Literally hundreds of young men have earned their Eagle Scout badges under their guidance. They have always taught young people the importance of hard work, learning, and achievement through their examples and teaching. Johnny has spent thousands of hours giving both young men and women experience and skills in camping, canoeing, pioneering, gun safety, flying, skiing, fishing, and hiking. He is an Eagle Scout, has been a scouter continuously for over 50 years, and was awarded the Silver Beaver for his work with the Boy Scouts. The Iversons have donated equipment, cut and donated lodge poles, made many thousands of feet of rope with scouts, and spent countless nights camping with young people. Jeannine has worked tirelessly with Johnny in the Boy Scouts and served as a young women's leader for over 30 years in various roles. These have included PTA President, 4-H leader, and as Ward Relief Society President and Stake Young Women's President in the church in which she and Johnny have served.

The Iversons have donated the use of their 40 acres of property for camps and outdoor events enjoyed by many Highland residents. Every summer as many as 20 or more father and sons camps, scout camps, and youth activities occur at the Iversons. They built and contributed the use of obstacle courses and team building venues which have benefitted many groups in the Highland community. Hundreds of children and families have enjoyed an ice skating pond for over 25 years on the Iverson's property.

Congratulations to our Grand Marshals for celebrating their 50th anniversary in June and for their example of service to their fellow men.

Highland Fling Events

A mailer was sent to every home outlining the events for the Highland Fling for August 3 -7. For any questions or registration contact the City Office at 756-5751.

The Fling Committee is requesting family names, addresses, and phone numbers of original families or descendants who lived in Highland from the 1880's to the 1950's. Anyone with information please contact the City Offices, at 756-5751. A response is needed by August 3. This information is needed for the Mt. Eagle Scout Project - Highland History Documentary

Mark Stout will be making a documentary video of the history of Highland for his Eagle Scout Project. This video will be donated to local schools and libraries. To accomplish this project, Mark needs pictures of Highland, from its earliest settlement to the present. He can come to your home and digitally scan the photos, without taking them. He also needs stories and interesting historical information about Highland. These can be written. Also, Mark would like to interview, on video, some long-time residents of Highland for use in the documentary.

If you would be able to help in any of the above areas, please contact Mark at 492-4492.

Youth City Council

By Janet King, Advisor

The Youth Council for 2004-2005 is hard at work planning an exciting year full of community involvement and service. We will be hosting the Highland Fling annual Dance on Friday, August 6, 2004, at Mountain Ridge Junior High School on the tennis courts. The dance will be from 8:30 p.m. until 11:30 p.m. We have a new awesome D.J. with a greatly improved sound system. It is for all youth ages 14-18, and the cost will be \$5. Admission to the dance includes free use of Extreme Sports 26' inflatable slide, a piece of pizza and beverage (while supplies last), and a gift for the first 50 people to enter the dance. So get to the dance early, have a lot of fun, and see friends you have missed this summer.

We have a new council member in charge of taking marque requests. Please contact Lyndon Garrett at 763-5885 with your request. There is a much greater chance that the Youth Council will be able to place your request

on the marque if we can have at least a two week notice before your event.

County Health Update

August is National Immunizations Awareness Month. It is important for children, teens, and adults to receive vaccinations to avoid preventable diseases. Individuals should first turn to personal physicians for immunizations. Immunizations are also available at specific times at the Utah County Health Department's clinic Monday - Friday. For more information on hours and other locations, call the Utah County Health Department at 851-7043.

Condolences

Condolence is expressed to the families of Boyd Allen and Ella Mae Hinckley, residents of Highland who recently passed away.
