INSTRUCTIONS FOR PROPERTY OWNERSHIP NOTIFICATION MAP, LIST, AND ENVELOPES

1. Obtain names and addresses of property owners within 500 feet of the property by using the Utah County Property Notification Map feature. Search online for 'Utah County Property Notification Map' or go to: <http://maps.utahcounty.gov/PropertyNotification/PropertyNotification.htm>
2. Enter the street address of the property and the city. Click the Find Address button.
3. Enter a buffer distance of 500 feet and click anywhere on the map. This will create a red radius line around the property indicating properties within 500 feet.
4. Print the map that is generated showing the 500 foot radius. To print the screen, press the Print Screen key on the keyboard. It may be labeled [PrtScn]. Open a program such as Microsoft Word. Right click in the document and choose Paste to paste the copied map into the document (see example at the bottom of the page). Submit the map to staff when submitting the application.
5. Next, click the Download CSV File button (you may need to press the Ctrl button while clicking the CSV button). This will generate a list of surrounding property owners in an Excel spreadsheet. If this step does not work, a pop-up blocker may need to be disabled.
6. Submit the map and Excel spreadsheet showing surrounding property owners with the application.
7. Prepare and submit to staff a set of addressed, stamped envelopes with no return address for all property owners from the generated list.
