UTILITIES APPROVAL

****Signatures will be required after City Council approval (digital signatures are sufficient)****

Utilities shall have the right to install, maintain and operate their equipment and all other related facilities above and below ground within the Public Utility Easements identified on this plat map as may be necessary or desirable in providing utility services within and without the lots identified herein, including the right of access to such facilities and the right to require removal of any obstructions including structures, trees and vegetation that may be placed within the PUE. The utility may require the lot owner to remove all structures within the PUE at the owner's expense, or the utility may remove such structures at the owner's expense. At no time shall any permanent structures or any other obstructions be placed within the PUE that interfere with the use of the PUE without the prior written approval of the utilities with facilities in the PUE.
